Biography

Abid Ahmed is building a broad business law practice focusing on securities, mergers and acquisitions, corporate finance as well as general corporate and commercial law. He has assisted on a range of transactions including, public and private acquisitions, securities offerings, financings, reverse takeovers and IPOs, as well as private equity and venture capital transactions.

Abid has experience acting for public and private companies across divergent sectors and industries. In addition to Abid's transactional practice, he regularly advises clients on corporate governance, securities regulatory compliance matters, and general corporate and securities law matters.
