Arabic, English, French, Spanish

Nadim Elkommos is a business law associate in Miller Thomson's Montréal office and is licensed to practise in Quebec and Ontario. Specializing in financial services, his diverse background in banking coupled with his

multilingual skills make him a versatile asset to clients. Nadim assists in closing domestic and cross-border financing transactions on behalf of both lenders and borrowers. His practice focuses primarily on drafting and negotiating loan and security documentation.

During his studies, he honed his commitment to accessibility and practical legal solutions by volunteering at the Mile End Legal Clinic.

Nadim holds a bachelor's degree in economics and politics, rounding out his expertise at the intersection of law and commerce.

## **Industry involvement**

### **Notable Matters**

- Representation of an institutional lender in the acquisition of a Quebec leader in the design and manufacture of innovative high-efficiency recovery, heating and ventilation systems.

### **Community roles**

- Community internship at the Mile End Legal Clinic
