Biography

Tracy, part of our dedicated eDiscovery Services team, leverages her decades of legal experience to guide clients through data management and evidence preservation. With a focus on eDiscovery and e-Trials, Tracy excels in complex securities litigation and multi-party construction cases, ensuring meticulous review of extensive documentary evidence. Certified as an e-discovery specialist, Tracy brings a tech-savvy edge to legal proceedings and is a valuable asset to our firm. Tracy's active involvement in industry committees underscores her dedication to staying at the forefront of legal technology and best practices.
