Biography

Bobby Luong has over 17 years of experience in the legal field. He joined Miller Thomson LLP in September of 2019 and brings with him over 14 years of e-discovery experience. Bobby provides guidance to lawyers and clients on all phases of the EDRM including preservation, collection, organization, review, production and technical issues regarding e-discovery.

Bobby started his career in 2004 as a legal assistant at a international firm in Toronto and in 2007 he proudly accepted his first position as a Litigation Support Analyst. In this role, Bobby primarily assists with electronic document collection, analysis as well as processing of data for production.
