Biography

Cindy Brandes is a Litigation Paralegal in Miller Thomson LLP's Vancouver office. Cindy brings 37 years of experience to Miller Thomson. She deals primarily with document-intensive and e-discovery matters, from document collection to trial and appeal, using litigation support software such as Summation, Eclipse, and CaseMap.

Cindy has worked on a wide variety of litigation cases at all levels of court, the BC Securities Commission, and Commissions of Inquiry, and has been involved in numerous complex and lengthy trials and hearings. She is experienced with electronic trials and Realtime for transcripts and also provides support and training for Summation and Realtime software.

Cindy is a graduate of the Capilano University Paralegal program and a member of local litigation support groups, the BC Legal Management Litigation Support subsection, and the BC Paralegal Association.
