Biography

After completing his articles at Miller Thomson' Saskatoon office Garhet joined the firms Business Law group as an associate. He maintains a broad corporate and commercial law practice with a focus on financial services, mergers and acquisitions, and real estate.

Garhet completed his law degree at the University of Saskatchewan (USask). Garhet obtained a Bachelor of Science in Agriculture with a major in Environmental Science and a Certificate in Sustainability also from the USask. Before completing his undergraduate degree, Garhet completed an Environmental Conservation and Reclamation diploma at Lakeland College in Vermilion, AB.
