Biography

As a preeminent labour and employment lawyer, Gary Rosen principally acts in discipline, hiring, and restructuring files as well as in traditional labour law matters such as certifications, collective bargaining and grievance arbitration. In addition, he possesses major and renowned experience in commercial litigation.

Always seeking solutions that are in the best interest of the client from both a practical and a financial perspective, Mr. Rosen represents small, medium-sized and large businesses as well as public and private companies before courts of all levels.

His knowledge and business acumen enable him to handle a vast assortment of mandates with widely recognized proficiency and efficiency.

A seasoned negotiator and litigator, Gary Rosen has been involved in many complex and high-profile cases in a wide range of areas, such as major pay equity files, union certification applications, class actions, the professional liability of a large Arm of chartered accountants and disputes in professional sports.

Gary is the leader of the Montréal office Administrative Law Group.
