Biography

Holly Keen is a member of Miller Thomson's eDiscovery Services Group. She brings over 30 years' experience working in law firms in several different capacities. Holly focuses on assisting legal teams and clients with document collection, early case assessment, data ingestion, the use of analytics to assess data, advanced keyword/Boolean searches, production, training, electronic discovery and trial preparation.

Holly has experience in several different eDiscovery platforms including, but not limited to, RelativityOne, Ipro Eclipse SE, and Ipro Enterprise.

Holly has assisted legal teams and clients with trials in Court of Queen's Bench of Alberta, Alberta Court of Appeal, Provincial Court of Alberta and Federal Court.

Holly obtained her Certified eDiscovery Specialist (CEDS) designation from the Association of E-Discovery Specialists and has her administrator certification in Ipro Eclipse SE.
