Biography

Jamie Eichenbaum is an associate in the Montréal office of Miller Thomson and is a member of the firm's Business Law Group. His practice is focused primarily on mergers and acquisitions in addition to general corporate/commercial law.

In relation to mergers and acquisitions work, Jamie is involved in all steps of the transactional process including due diligence matters, the drafting of related commercial agreements and the handling of various closing matters. He has had the opportunity to assist a wide array of clients with respect to acquisitions, including those operating in the video game and technology industries.

Additionally, Jamie also has notable experience in the handling of equity financing transactions with respect to both emerging and mature companies.

As part of his general corporate/commercial law practice, he also assists clients with the drafting and implementation of various commercial agreements such as shareholders' agreements and services agreements, amongst others.
