Biography

Laura Grootendorst is a Paralegal who specializes in Estate Planning and Estate Administration, and works within Miller Thompson's Private Services Group. Laura is based in our Vancouver office and assists with all aspects of drafting estate planning documents and trusts, while also assisting with the administration of estates; including but not limited to, the drafting of estate administration applications and everything involved in distribution of estate assets.

Laura has worked in the legal field since 2013 and has continued to grow her knowledge in Estate Planning and Estate Administration throughout those years, while also having gained experience in Office Management, and various other areas of law, such as: estate litigation, civil litigation, and personal injury. Laura has also helped start up and build other firms' departments in Estate Planning and Estate Administration throughout her legal career.

Education

- Legal Administrative Assistant Program, Capilano University, 2013
- Completed various CLE courses relating to Estate Planning and Estate Administration
