### **Biography**

Mathieu Boily primarily practises civil litigation in the field of insurance. His practice focuses on civil liability, product liability and construction. Mathieu represents his clients before the various courts, and offers drafting of opinions and procedures and insurance negotiations services in the areas of civil liability, product liability and construction liability.

Mathieu is a practical, efficient and client-focused lawyer who relies on determination and effective communication through a result-oriented approach.

Mathieu received his law degree from the University of Ottawa in 2018 and was called to the Quebec Bar in 2019.
