Biography

Sandra recently completed the Juris Doctor program at Queen's University. During her time at Queen's, Sandra was actively involved within the student community. She was the Vice President of Finance for the Society of Graduate and Professional Students, Co-president of the Queen's Corporate Law Club and Founder of both the Queen's Law Golf & Country Club and Queen's Law Ski & Snowboard Club. Sandra recently studied for a semester in the fall of 2022 at the University of Groningen in the Netherlands.

Prior to law school, Sandra obtained a Bachelor of Business Administration from Wilfrid Laurier University, where she participated in the co-operative education program, working for companies in the financial technology industry as well as marketing and advertising. Through the co-op program, Sandra was able to work abroad for a summer in 2017 in London, England.

In her spare time, Sandra enjoys hanging out with her friends, water-colour painting, traveling, and participating in sports such as curling and snowboarding in the winter and golf and softball in the summer.
