Biography

Sean is experienced in the areas of financial services, real estate, and corporate and commercial law. Sean's practice focuses on commercial and agricultural financing, real estate, and corporate and commercial law, as well as contracts and municipal law.

Sean acts for both lenders and borrowers in the commercial and agricultural sectors, and has arranged secured lending for loan values ranging from \$75,000 to \$50,000,000. Sean has extensive experience with *The Saskatchewan Farm Security Act* and lending to farmers. He has been involved in lending transactions against quota and livestock, crops, inventory, and equipment. Sean also has considerable experience in lending against the home quarter.

Sean assists clients with commercial and residential real estate transactions, and has acted as counsel for condominium and other developers and home builders.
