Biography

Shari Turpin is a law clerk practising in the areas of estates, trusts and wealth preservation.

Shari's work includes guardianship and probate-related court applications, passings of accounts, the preparation of estate accounts and accounts of guardians of property. Shari has extensive experience assisting executors and trustees in fulfilling their obligations and duties. Her responsibilities primarily include assisting clients with the day-to-day administration and management of estates and trusts, from inception of the estate or trust, applying for probate, to estate windup, including the settlement and distribution of the estate or trust assets.
