### Biographie

( Disponible en anglais seulement )

Peter Little is building a broad intellectual property law practice, advising clients on corporate and litigation matters. Peter has experience conducting legal research, drafting litigation documents, and assisting on corporate transactions.

Peter first joined Miller Thomson as a Summer Student in 2017 and returned the following year as an Articling Student.

Peter also spent a summer during law school working in the legal department of a major Canadian corporation. Prior to attending law school, Peter was employed by an environmental engineering consulting firm as a project scientist.
