Biographie

(Disponible en anglais seulement)

As the Director of eDiscovery Services at Miller Thomson, Ceyda orchestrates a dynamic team dedicated to driving excellence in litigation support and eDiscovery. With over three decades in the legal domain, Ceyda has amassed a wealth of experience that has made her a trusted figure in the industry. Her background includes roles at prominent law firms and service bureaus, reflecting her deep understanding of the sector.

Blending a hands-on approach with thoughtful strategy, Ceyda offers her extensive background in designing, building, and implementing litigation support and eDiscovery services. Her commitment to identifying and applying tailored solutions has made her a trusted resource for clients. Her industry certifications further underscore her dedication to and depth in the field.

Beyond her immediate role, Ceyda is recognized as a thought leader in the eDiscovery community. Her presence is often sought after at industry conferences, seminars, and academic venues across North America, where she imparts invaluable insights based on her vast experience. Through her articles and blog posts, she not only highlights key eDiscovery trends but also fosters a deeper understanding, showcasing her dedication to both personal and industry-wide growth.
