Biographie

(Disponible en anglais seulement)

Rick Breen is a highly-experienced lawyer assisting his clients with practical advice on structuring their corporate and personal matters. He has worked with owner managers to establish, grow and ultimately transition businesses for over 20 years.

Rick provides pragmatic advice and counsel to assist business owners with structural and governance issues to ensure effective business operations and the eventual transaction of the business.

Rick is a frequent speaker to numerous groups on his areas of expertise.

Prior to joining Miller Thomson LLP, Rick was a Partner in a Calgary based law firm.

Rick is actively involved in youth sports and politics at every level of government.
