

# MILLER THOMSON

for the Health Industry

## Support when you need it

Miller Thomson On Call™ is a unique program designed for health industry clients. We provide **24/7 legal support - whenever and wherever you need it**. Our legal experts are moments away with practical, cost-efficient and timely advice for **day-to-day** and **urgent issues** - and everything in between. **We like to call it the Miller Thomson On Call™ Advantage.\***

### What's the Miller Thomson On Call™ Advantage?

- **One-stop access:** Access our dedicated roster of legal counsel through our hotline or dedicated email.
- **Value:** Unlimited access to our service, including preliminary telephone advice or written advice on routine matters, for a flat fee.
- **Urgent support:** Access our after-hours hotline for urgent legal matters.

### Who Calls Us?

- Hospitals
- Regional Health Authorities
- Professional Associations
- Community Care Access Centres
- Community and Home Care Service Providers
- Addictions and Mental Health Agencies
- Clinics
- Long-Term Care and Senior Living Homes
- Health Professionals
- Family Health Teams and other Primary Care Organizations

### Who's On Call?

**We're all on call.** Access us through our dedicated email address, urgent after-hours hotline, or contact our lawyers directly.
