- G. the Declarant has, will or may provide one or more letters of credit or other security to the local, county and/or regional governments and it is possible that any one or more of such municipalities may draw against any such letter of credit or other security on account of acts or omissions of the Condominium including, without limiting the generality of the foregoing, lack of maintenance and repair of the common elements and or/units which are the obligation of the Condominium to perform; and
