- LL.B., Université de Montréal, 1988
- Securities training, Canadian Securities Institute, 1988

LANGUAGES SPOKEN

English, French

Chantal Joubert specializes in real estate law, with extensive expertise in drafting agreements related to the occupation, use, and management of commercial and industrial properties. She is also highly skilled in leasing transactions for industrial, office, and mixed-use properties, as well as in related lease contracts. Chantal frequently assists with the purchase and sale of industrial and commercial properties, including large

property complexes, and advises on property development and asset management agreements. Her deep knowledge of real estate law and practical approach make her a valuable asset to her clients.

Beyond her legal practice, Chantal is a respected speaker and author, sharing her insights at conferences and through various publications. Her commitment to the legal community and her influence in the real estate sector underscore her reputation for excellence.

Chantal holds a law degree from the Université de Montréal and has completed training in securities law. She is recognized for her contributions to real estate law, reflecting her expertise and professional dedication.
