Faruk Gafic advises clients on a range of commercial real estate matters, with a focus on commercial leasing. He works closely with landlords and tenants across office, industrial and retail settings, and is known for being responsive, dedicated and able to meet tight deadlines. He drafts and negotiates a variety of leasing documentation, including offers to lease, lease amending agreements involving extensions, expansions, relocations, surrenders, terminations and licence arrangements. Clients rely on him for practical advice, clarity and solutions that help address issues before they arise.

He has contributed to the successful completion of leasing transactions involving complex arrangements and high-volume portfolios.
