English, French, Italian

Gerry Argento is a construction law specialist known for his expertise in litigation and contract law. With practical experience gained in a family of general contractors, Gerry offers informed guidance on the challenges of major construction projects. He advises various industry players, represents them in court, and helps them navigate a wide range of construction-related issues, bringing both practical and legal insights. Over the years, Gerry has also developed expertise in e-discovery and complex litigation management.

Gerry frequently publishes articles and participates in conferences on construction industry topics. He also serves on the boards of various construction-related organizations and charitable initiatives.

Gerry holds an LL.M. and a J.D. in common law from the Université de Montréal. A member of the Quebec Bar and the Montreal Young Bar Association, he has been recognized in the Lexpert Construction Law Directory (2021-2024), as well as special editions on energy and mining (2024) and infrastructure (2024). He is also listed in Best Lawyers in Construction Law (2025), affirming his influence in the field.
