LANGUAGES SPOKEN

English

John Chapman focuses on corporate and commercial litigation, dealing with a range of issues such as contract disputes, real estate conflicts, shareholder remedies, insolvency, and class actions. He has an impressive track record of handling multi-million dollar disputes across various sectors, including complex cases involving

technical or financial intricacies. John has appeared before all levels of trial and appellate courts, and before domestic and international arbitral tribunals. Given his experience with such diverse and complex litigation matters, he is comfortable managing litigation budgets and leveraging technology to streamline costs.

John's extensive legal contributions are reflected in numerous articles published in esteemed Canadian law journals, showcasing his deep knowledge and commitment to the field.

John's accolades include being consistently recognized by several esteemed industry associations for corporate and commercial litigation through the years.
