Biography

EDUCATION

- Juris Doctor, University of Alberta, completion expected 2024
- Bachelor of Commerce with Distinction, University of Alberta, 2021

Marlee has just completed her first year at the University of Alberta's Faculty of Law. In her first year, she was involved as case worker for both the criminal and civil law projects of Student Legal Services. She was also involved as a singer for the unfortunately cancelled Law Show, which she is excited to return to in her upcoming years at the university.

Before law school, Marlee graduated with distinction from the Alberta School of Business. During her undergraduate program, she majored in Marketing with a minor in Business Economics and Law. Alongside her general educational pursuits, Marlee completed a supplementary Certificate in Sustainability. Her capstone project centred on combating period poverty and improving awareness for sustainable menstrual product alternatives. She also enjoyed competing in Case Competitions, such as the Alberta Internal Case Competition in which her team placed first.

When not immersed in her studies, Marlee spends her time involved in anything that gets her moving. She enjoys coaching boxing at a local studio, exploring the city on runs with her pup, and heading to the mountains to camp and hike. Contrastingly, Marlee also loves a rainy day with a good book or board games with friends and family.
