Maryam Zargar is a partner at Miller Thomson, leading the Corporate Group in Vancouver. Maryam focuses her practice on corporate transactions across various industries, domestically and internationally, as well as commercial and strategic advice with focus on the technology and retail sectors. Maryam's personalized approach makes her a trusted advisor, emphasizing client success.

Maryam frequently presents on emerging trends and global issues in M&A, Tech, retail and fashion, sharing her practical and academic depth to help businesses and their advisors navigate through legal issues towards successful growth and operations.

Maryam has significant experience serving on boards of corporations and non-profits, in addition to building and growing a business as an entrepreneur, founding a successful boutique law firm. Her broad experience strengthens her commitment to her clients' businesses. She excels in negotiations during transactions, structuring and advising on financing, and M&A, priding herself on providing tailored solutions and being a strong advocate for her clients.
