- Certified Canadian Trademark Administrator from Intellectual Property Institute of Canada (IPIC)

LANGUAGES SPOKEN

English, Hindi

Mini Bhaskar is an experienced Paralegal at Miller Thomson's Toronto office, bringing over 17 years of extensive experience in all facets of Patent and Trademark law. At Miller Thomson, Mini's focus is on a diverse array of Intellectual Property matters. Mini specializes in Canadian and international patent filings, trademark registration, copyright, and industrial design prosecution. She is a dedicated professional specializing in the preparation and filing of formal documents, ensuring compliance with legal standards for clients across various industries. Mini also assists in opposition and expungement proceedings, as well as all aspects of trademark prosecution in Canada. With a strong focus on intellectual property, Mini excels in collaborating

with international associates to navigate the complexities of patent and trademark protection.

Mini's dedication to continuous learning and professional development underscores Mini's commitment to staying at the forefront of intellectual property law.

Mini holds a Master of Business Administration from Symbiosis University. With a strong commitment to excellence, she is certified in SIX SIGMA (White & Yellow Belt), demonstrating her proficiency in process improvement and quality management. As an active member of the Intellectual Property Institute of Canada (IPIC), Mini serves on the committee, contributing valuable insights to the field of Intellectual Property Trademark Administration Courses. She also achieved the designation of Certified Canadian Trademark Administrator (CCTA) from the Intellectual Property Institute of Canada and a member of the International Trademark Association (INTA).
