With over ten years of experience in both commercial and residential real estate transactions, Priya possesses in-depth knowledge of the technical requirements of the Saskatchewan Land Registry. She is proficient in managing a diverse range of land-related transactions, including lending, refinancing, and purchases or sales.

Priya worked for seven years as a Paralegal at another large law firm, gaining substantial experience in land-

related legal matters. Alongside her expertise in Saskatchewan Land Registry, she has a strong foundational knowledge of Alberta land titles, including conducting title searches and drafting commercial financing documents. Additionally, Priya served as a university college professor in India for over three years, enriching her professional background with academic experience.

Priya has much volunteer experience, organizing events for her former firm. She is also a volunteer with the Regina Food Bank, assisting with food sorting, packaging, and distribution to support local families and individuals in need.
