Wayne Logan, an experienced Intellectual Property lawyer, leads the firm's focused area of Blockchain, Cryptocurrency, and Smart Contracts. Wayne also excels in Entertainment and Media law, and has spent his life working in the entertainment industry, building on his own background as an accomplished musician. He is also the founder of several successful startups, including an award-winning tech company. As a result, Wayne knows how to support and work with the genius that drives entrepreneurs, software developers, musicians, authors, athletes and celebrities to excel. Wayne's passion and creativity is what fuels his drive to continuously advance his clients' careers and business plans.

A sought-after speaker, Wayne imparts his knowledge to industry groups and students on topics including blockchain, publishing, copyright, trademarks, patents, venture capital and the importance of tracking and commercializing social media hits. His commitment to continuous learning and growth ensures he stays at the forefront of legal developments, benefiting his clients with up-to-date know-how.

Wayne is actively involved in organizations like the Canadian Bar Association, the Venture Capital Association of Alberta and Canadian Blockchain Consortium. Recognized as one of Canada's top Trademark Professionals by the World Trademark Review, Wayne's knowledge and experience is acknowledged on a global scale for his exceptional work in Intellectual Property law.
