Biography

BAR ADMISSION

Ontario, 1994

LANGUAGES SPOKEN

English

Ken Chun's practice focuses on mergers & acquisitions, financing transactions and all types of corporate and commercial law. Ken also regularly acts for real estate and mortgage portfolio companies including the formation of mutual fund trusts. He has extensive experience in structuring and negotiating company acquisitions and dispositions, private equity transactions, joint ventures, business structuring and reorganizations and other complex business transactions involving domestic and foreign companies, both public and private, financial institutions, private equity firms and entrepreneurs and other owner-operated corporations. Ken's practice spans a wide range of industries and sectors including data centres and other

digital infrastructure sectors, wireless and telecommunications, private equity, private REITs and mutual fund trusts, senior housing, mortgage lending, insurance companies and insurance brokerages, multimedia and technology, and automotive and other manufacturing sectors. Ken often leads large transaction teams involving lawyers and other professional advisors with various types of experience. He coordinates the legal, regulatory, and Canadian tax aspects of those transactions from the early planning stages to successful closing. Ken also practices all aspects of corporate/commercial law including shareholders' agreements, limited partnership agreements, joint venture agreements, distribution agreements, and various other commercial agreements.

Industry involvement
